

Adopt a Family Program

Throughout the year, the Chaldean American Ladies of Charity (CALC) help families in need. Whether it's perishable goods, clothing, furniture or housing, we try to provide aid to those who need it. Without your generous donations and support our resources would be limited and little would be accomplished. During the Christmas season, we need extra help from generous people, such as yourself, your family and friends.

The **Adopt a Family** program allows you and the CALC to purchase new items for families who are unable to do so during the Christmas Season. The program helps families in need regardless of how many years they've been in the country. Last year we helped over 80 families in the Metro-Detroit area. You can help us by sponsoring a family – by yourself, as a group or by making a donation to the program. If you sponsor a family, we will provide you with information on the family you're adopting, such as the children's ages, gender and sizes. You will also be given a needs list and a wish list. You can then shop and deliver the gifts yourself to the family or you can request CALC to do that on your behalf. If you're interested in sponsoring a family or would like more information please contact Rita Foumia or Lisa Paulus at rfoumia@calconline.org or call (248) 538-8300

by December 1, 2009.
