

# LEAVE YOUR MARK

## ***Naming Funds and Donor Advised Funds***

*Making a difference in the community couldn't be easier.*

*If giving is one of the values you want to be remembered for, the Chaldean American Ladies of Charity can help.*

*A Donor Advised or Naming Fund at CALC will bear your name (or the name of a loved one) and represent the hard work and values that define your life. It will become your charitable legacy.*

# Share the Blessings. . . Of your Lifetime

- The CALC offers several types of Donor Advised Funds or Naming Funds to help with your philanthropic strategy.
  - We offer both endowed and non-endowed Funds at varying levels.
  - Our professional staff handles all administrative requirements for donors, and we provide support and access to community information in a wide range of interest areas.
  - CALC handles all of the paperwork, reporting, and record keeping. And you have a tool for carrying out your charitable giving. If you wish, you can be involved with decisions.
  - Charitable income tax deductions generated by gifts to these Funds receive the most favorable tax treatment under the Internal Revenue Code since your Fund is part of a 501 (c)(3)charity.

Your Fund at CALC will increase your ability to make a difference today and forever in our community. You can establish a giving structure that is designed specifically to help achieve your philanthropic goals while providing support to the causes you care about, now and long into the future.
